ich can be used to express thoughts. Nothing more. [27.265] F At first, he t structures his Essay essay, he does so usually usually does so. Brain Today its brain- storming. What a mess! un Unbounded words flying [11.158] around and there seems is no structure as it seems. Buu the he organizes his thoughts by means of a numbers. I guess 1 is the most important and the less. [21.965] ' He pauses between his while during his writing process and his train of thoughts is disturbed by several interventions e.g. his brother, his Iphone calling 's call or hi mother s mother forcing him to wash the dishes. B In the end Patrick manages to find a conclusion. He [12.858] usion for i his essay. I have to say that all the is we did not start to write the text but th [2. This is step to 2.
