

[Start] [26.272] [0] [01:02.849] Hello*, my name is Herlitz. I am one of
these things that you would never [17.191] pay any attention to at
least x. However, everyone needs me. I am an exercise book [11.321]
(except you have this little nasty thing which is called Lap Notebook [18.829]
and which (exercise book) Not only an exercise book,
but the exercise book of Babs. She has a Notebook, but does not
use it very often. which I am glad about! She only uses the Notebook
for Email contact [17.521]. But A I am reserved for [27.211] and term papers
(but I am sure she would use me instead of it if she had not did not have to use it in
at university) taking notes and that is very often! [26.033] it I don't know how much term papers I have prepared... [28.900]
I must say Babs loves writing and she [28.241] I am used whenever there are notes to be taken.
[14.154] Although I am glad that she uses me often, I have to [happy] admit that it is too often... Does she ever use thus notes nearly?
D Fot term papers she takes too much notes in my opinion! union! inon!
r or [The half of me is thrown away... after using. What a waste! [43.204] N u But what does Babs write e on me? Long notes, not really sentences, just pieces of sentences. So And often she uses does not use only ink, but red and yellow pens to mark specific words al words. Oh, h How hate these colours... but

she must consider these words underlines words important. [14.455]
 I [10] Very important are the red words underlines d in red
 d, these are the thesis arguments. I only know
 now that because she writes that word with an exclamation mark
 at my [11.802] near the texts [11.782] notes. [17
 .835] Later, Babs only reads these arguments and that's nearly all... All
 the other words are not used. Sometimes she
 also uses the types them into her Noz tebook.
